Chief Judge Dana L. Christensen  
201 East Broadway Street  
Missoula, Montana 59802

You've finally got "something" right, Judge Christensen.  
Transferring any of these federal cases is NOT in the interest  
of any justice, transferring any of these federal cases NEVER WAS  
in the interest of any justice, and transferring any of these federal  
cases is the LARGEST SCANDAL you've ever seen.

You've been blind of these facts for years.
